Section in the List: B.1.9 Pipes coated with factory applied epoxy resin  
Date of acceptance: 4 Dec 2017

Product name: **Conbextra Bedding Mortar**  
Company name: Fosroc Ltd  
File number: DWI 56/4/1271  
Section in the List: C.6 Sealant & Repair Materials  
Date of acceptance: 29 Nov 2017

Product name: **DW18/90 Pile Cloth Media Filter (PCMF)**  
Company name: Mecana Umwelttechnik GmbH  
File number: DWI 56/4/1215  
Section in the List: D.1 Membrane and Filtration Elements/Systems  
Date of acceptance: 29 Nov 2017

Product name: **BioMate MBC2881**  
Company name: GE Power & Water, Water and Process Technologies  
File number: DWI 56/4/1276  
Section in the List: A.5 Disinfection or Cleaning Agents of Membranes  
Date of acceptance: 3 Nov 2017

Product name: **Aquron 2000**  
Company name: MG Solutions (UK) Ltd  
File number: DWI 56/4/1291  
Section in the List: C.6 Sealant & Repair Materials  
Date of acceptance: 3 Nov 2017

Product name: **Aqualine 650 with Irabond BC50**  
Company name: Irathanefutura A Division of ITW Ltd  
File number: DWI 56/4/276  
Section in the List: C.3.2 Coatings based on polyurethane  
Date of acceptance: 20 Oct 2017

Product name: **Tiefill**  
Company name: Flexcrete Technologies Ltd  
File number: DWI 56/4/1287  
Section in the List: C.6 Sealant & Repair Materials  
Date of acceptance: 2 Oct 2017

Product name: **KLEEN MCT515E**  
Company name: GE Power & Water, Water and Process Technologies  
File number: DWI 56/4/1273  
Section in the List: A.5 Disinfection or Cleaning Agents of Membranes  
Date of acceptance: 30 Aug 2017

Product name: **QualPLAST Polyethylene MDPE co-extruded pipe**  
Company name: Pipelife Ireland Limited  
File number: DWI 56/4/1282  
Section in the List: B.1.1 Polyethylene (PE) pipes  
Date of acceptance: 24 Aug 2017

Product name: **Resinex KW-H**  
Company name: Jacobi Carbons  
File number: DWI 56/4/1151  
Section in the List: A.3.1 Ion exchange resins  
Date of acceptance: 19 Jun 2017

Product name: **GPS N Black Polyethylene Pipe**  
Company name: GPS  
File number: DWI 56/4/1260  
Section in the List: B.1.1 Polyethylene (PE) pipes  
Date of acceptance: 23 May 2017

Product name: **Bridges in-house fabricated stainless steel pipe spools and products**  
Company name: Bridges Electrical Engineering Ltd  
File number: DWI 56/4/1268b  
Section in the List: E.4 Other Products used for the treatment of water  
Date of acceptance: 15 May 2017

Product name: **Bridges in-house fabricated stainless steel pipe spools and products**
